Notes:

- Fees charged on incoming fleece weight, minimum charge per batch is 1Kg/yarn, *2kg Bumps /Rug yarn.
- While every attempt is made to remove vegetable matter (VM) from contaminated fleeces, we cannot guarantee that fleeces received containing VM will have all the VM removed. As a result, VM may be present in the final product.
- Moth damaged, burr or heavily contaminated fleeces will not be accepted and will be returned to the client at their own expense.
- Full Payment is required prior to processed fleece being dispatched.
- Prices current as of 1/5/2024 and subject to change without notice - All pricing inclusive of GST
